the Government will consider this question sympathetically.

Sri R. ANANTARAMAN.— Are the Government at least willing to give free medical aid, and free education to the non-gazetted officers and their children?

Sri K. HANUMANTHAIYA.—That question has to be examined on its own merit.

ಶ್ರೀ ಯು. ಎಂ. ಮಾದಪ್ಪ.—ಕೇಂದ್ರ ಸರ್ಕಾರದವರೊಡನೆ ನಮ್ಮ ಸರ್ಕಾರದವರು ಪತ್ರವ್ಯವಹಾರ ನಡೆಸಿದರೆಂದು ಹೇಳಿದಿರಿ. ಅವರು ಏನು ಉತ್ತರ ಕೊಟ್ಟಿದ್ದಾರೆ ?

Sri K. HANUMANTHAIYA.—The question is pending in the Finance Ministers' Conference. That is all that has happened. They have not given any reply.

ಶ್ರೀ ಯು. ಎಂ. ಮಾದಪ್ಪ.—ಆಗಾಗ್ಗೆ ಅವರು ಈ ರೀತಿಯಾಗಿ ಸಂಬಳ ಸಾರಿಗೆಗಳನ್ನು ತಮ್ಮಲ್ಲಿ ಹೆಚ್ಚಿಸುವಾಗ ನಮ್ಮ ಸರ್ಕಾದವರನ್ನು ಕೇಳಿ ಮಾಡುವ ಪದ್ಧತಿಯನ್ನಿಟ್ಟುಕೊಂಡಿದ್ದಾರೆಯೇ ?

(No answer.)

———

Quantity of Electricity produced

Q.—254. Sri G. A. THIMMAPPA GOWDA (Arkalgud).—

Will the Government be pleased to state:—

(*a*) the total quantity of electricity produced in various Hydro-Electric Projects worked by the State;

(*b*) whether the power generated at present is adequate to meet the demand?

A.—Sri K. HANUMANTHAIYA (Chief Minister).—

(*a*) The installed and firm capacities of the three generating stations are as follows:—

	Installed Capacity	*Firm Capacity*
	KW	KW
1. Sivasamudram.	42,000	22,800
2. Shimshapura.	17,200	17,200
3. Mahatma Gandhi Hydro-Electric Works ...	1,20,000	1,02,000
Total ...	1,79,200	1,42,000

(*b*) According to the latest load forecast the power generated by the three Generating Stations will be able to meet the demand up to the year 1955-56 for which promises and definite commitments have been made.

Sri G. A. THIMMAPPA GOWDA.—May I know how much electricity is supplied outside the State and how much is consumed inside the State?

Sri K. HANUMANTHAIYA.—Except for a very small quantity which is given to Ceded Districts—about 4,000 k.ws.-the rest is being consumed in the State itself.

Sri G. A. THIMMAPPA GOWDA.—May I know the rates at which power is supplied in our State and outside?

Sri K. HANUMANTHAIYA.—The rates are more or less the same.

Sri G. A. THIMMAPPA GOWDA.—What are the other States to which you are already committed to supply electricity in future?

Sri K. HANUMANTHAIYA.—Coorg and South Canara.

Sri G. A. THIMMAPPA GOWDA.—How many kilowatts?

Sri K. HANUMANTHAIYA.—In the case of South Canara, to begin with it is about 2,000 and odd KW; ultimately it would go up to 4,000 or 5,000 K.W. The rate is the same more or less as that which prevails in the Mysore State, Regarding Coorg, the agreement has not yet been signed. The agreement when signed will disclose the rates.

Sri G. A. THIMMAPPA GOWDA.—In answer to (*b*) it is said that the quantity of power generated will be able to meet the demand up to the year 1955-56. To meet the demand what are the schemes drawn up by Government and also their estimates?

Sri K. HANUMANTHAIYA.—The schemes have not been finally drawn up. It is under the contemplation of Government that Honnemaradu Project and Mekedatu Project may be investigated for the purpose of including them in the second Five-Year Plan.

ಶ್ರೀ ಜಿ. ಎ. ತಿಮ್ಮಪ್ಪಗೌಡ.—ಈ 5 ವರ್ಷದವರೆಗೆ ಮಾತ್ರ ನಮಗೆ ಸಾಧ್ಯವಾದಷ್ಟು ವಿದ್ಯುಚ್ಛಕ್ತಿ ಇರುತ್ತದೆಂದು ಹೇಳಿದಿರಿ. ಈಗ ಪ್ರತಿ ವರ್ಷವೂ ಕೂಡ ನಮ್ಮ ಸಂಸ್ಥಾನದಲ್ಲಿ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಕೇಳುತ್ತಿರುವ ಪ್ರಕಾರ ಎಷ್ಟು ಬೇಕಾಗುತ್ತದೆ ಎಂಬುದನ್ನು ನೋಡಿಕೊಂಡು ಮುಂದಿನಪಟ್ಟುವರಿ ಬೇಡಿಕೆಗಳನ್ನು ಪೂರೈಸಬೇಕಾದರೆ ಒಂದೊಂದು ವರ್ಷಕ್ಕೆ ಎಷ್ಟು ಬೇಕಾಗುತ್ತದೆ ?

Sri K. HANUMANTHAIYA.—That has not been calculated; but the demand is increasing.

ಶ್ರೀ ಜಿ. ಎ. ತಿಮ್ಮಪ್ಪಗೌಡ—ನಮ್ಮ ಸಂಸ್ಥಾನದ ಬೇಡಿಕೆಗಳನ್ನೇ ಪೂರೈಸಲು ಸಾಧ್ಯವಿಲ್ಲವೆಂದು ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿರುವಾಗ ಹೊರಗಿನ ಸಂಸ್ಥಾನಕ್ಕೆ ಹೇಗೆ ಕೊಡುತ್ತೀರಿ ?

Sri K. HANUMANTHAIYA.—Because previously Government has committed itself to supply electricity to these States.

ಶ್ರೀ ಜಿ. ಎ. ತಿಮ್ಮಪ್ಪಗೌಡ.—ವಿದ್ಯುಚ್ಛಕ್ತಿಗೆ ಇಷ್ಟೊಂದು ತುರ್ತು ಅವಶ್ಯಕತೆಯಿರುವಾಗ ಹೊನ್ನೇಮರಡು ಯೋಜನೆಯನ್ನು ಬಹು ಜಾಗ್ರತೆ ಕೈಕೊಂಡು ಪೂರೈಸುವುದಕ್ಕೆ 5 ವರ್ಷದ ಯೋಜನೆಯಲ್ಲಿ ಹಣ ಒದಗಿಸಲಾಗಿದೆಯೇ ಅಥವಾ ಕೇಂದ್ರದಿಂದ ಹಣ ಸಹಾಯ ಕೇಳಲಾಗಿದೆಯೇ ? ಈ ಬಗ್ಗೆ ಸಾಲ ಎಷ್ಟು ಬರುತ್ತದೆ ಯಾವ ರೀತಿ ಪೂರೈಸುವುದಕ್ಕೆ ಏರ್ಪಾಡು ಮಾಡಿದ್ದೀರೆಂಬುದನ್ನು ತಿಳಿಸುತ್ತೀರಾ ?

Sri K. HANUMANTHAIYA.—I have already said it will be included in the second Five Year Plan.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ಹೊನ್ನೇಮರಡು ಯೋಜನೆಯನ್ನು ದ್ವಿತೀಯ ಪಾಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಸೇರಿಸಿದೆಯೆಂದು ನಿರ್ದಿಷ್ಟವಾಗಿ ಹೇಳಬಲ್ಲಿರಾ ?

Sri K. HANUMANTHAIYA.—The second Five-Year Plan has not yet come into existence. This Government proposes to urge for the inclusion of this scheme in the second Five-Year Plan.

Sri J. MOHAMED IMAM.—How are we to be sure that this will be included in the second Five Year Plan unless the Government of India gives some assurance ?

Sri K. HANUMANTHAIYA.—Of course we can only hope.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ಒಂದು ಪಕ್ಷ ದ್ವಿತೀಯ ಪಾಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಹೊನ್ನೇಮರಡು ಯೋಜನೆ ಸೇರದೆ ಇದ್ದರೆ ಇದನ್ನು ಕಾರ್ಯರೂಪಕ್ಕೆ ತರುವುದಕ್ಕೆ ಬೇರೆ ಯಾವ ಮಾರ್ಗ ಯೋಚನೆ ಮಾಡಿದ್ದೀರಿ?

ಶ್ರೀ ಕೆ. ಹನುಮಂತಯ್ಯ.—ಬೇರೆ ಮಾರ್ಗ ಇಲ್ಲವೇ ಇಲ್ಲ. Even if we want to take up any project outside the Plan, the Government of India is vetoing. Therefore, even if we have the approval of this House, we may not be able to take any project which is not included in a Five-Year Plan, whether it is the first or second.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ಈಗ ಇಲ್ಲಿ ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು ಅನೇಕ ಕಾರ್ಖಾನೆಗಳನ್ನು ಏರ್ಪಾಡು ಮಾಡಿದ್ದಾರೆ. Machine Tool Factory, Telephone Industry, Hindustan Aircraft Factory, ಇವುಗಳಿಗೆಲ್ಲಾ ಎಷ್ಟು ಪವರ್ ಬೇಕಾಗುತ್ತದೆ ?

Sri K. HANUMANTHAIYA.—Notice please.

Sri J. MOHAMED IMAM.—I take it that it requires thousands of kilowatts. ಈಗ ನಿರೀಕ್ಷಿಸಿರುವಷ್ಟೂ ವಿದ್ಯುಚ್ಛಕ್ತಿಯನ್ನೂ ಉಪಯೋಗಿಸಿದಮೇಲೆ ಸಂಸ್ಥಾನಕ್ಕೂ ಸಾಕಾಗುತ್ತದೆಂದು ತಿಳಿಸಿದ್ದೀರಿ. ಒಂದು ವೇಳೆ ಸಂಸ್ಥಾನಕ್ಕೆ ಕಡಮೆಯಾದರೆ ಇಂಡಿಯಾ ಸರ್ಕಾರದ ಕಾರ್ಖಾನೆಗಳಿಗೆ ಕೊಡದೇಯಿರುವುದು ಒಳ್ಳೆಯದಲ್ಲವೆ ?

Sri K. HANUMANTHAIYA.—We cannot adopt such sanctions, Sir. These are the considerations that we can urge and certainly the Government of India will see the reasonableness of them in order to accept.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು ತಮ್ಮ ಕಾರ್ಖಾನೆಗಳಿಗೆ ಬಹಳ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಬೇಕಾಗುತ್ತದೆಂಬುದನ್ನು ತಿಳಿದು ನಮ್ಮ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಯೋಜನೆಗಳಿಗೆ ಸಹಾಯ ಮಾಡಿದರೆ ಸರಿ ; ಇಲ್ಲದಿದ್ದರೆ, ನಮ್ಮ local interest ಕಾಪಾಡಿಕೊಂಡು ಆ ಮೇಲೆ ಮಿಕ್ಕದ್ದನ್ನು ಮಾತ್ರ ಅವರಿಗೆ ಕೊಡುವುದು ನ್ಯಾಯವಲ್ಲವೆ ?

Sri K. HANUMANTHAIYA.—I hope by that time the Hon'ble Leader of the Opposition will have become the Chief Minister and he will implement the sanctions.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ನಾನು ಮುಖ್ಯ ಮಂತ್ರಿಯಾಗಿದ್ದರೆ ಅದರ ರೀತಿಯೇ ಬೇರೆಯಾಗಿರುತ್ತಿತ್ತು. ಇಂಡಿಯಾ ಸರ್ಕಾರದವರೇ ಇಲ್ಲಿಗೆ ಬರಬೇಕಾಗಿತ್ತು ! ಸಂಸ್ಥಾನದಲ್ಲಿ ಉತ್ಪತ್ತಿಯಾಗುವ ವಿದ್ಯುಚ್ಛಕ್ತಿ 1955-56ರಲ್ಲಿ ಖರ್ಚಾಗಿ ಹೋಗುವುದರಿಂದ ತುರ್ತು ಸಮಸ್ಯೆ ಉಂಟಾಗಬಹುದು. ಆದುದರಿಂದ ಪವರ್ ಹೇಗೆ ಕರ್ಟೈಲ್ ಮಾಡಬೇಕೆಂಬ ಬಗ್ಗೆ ಸಲಹೆ ಮಾಡಲು ಒಂದು ಸಮಿತಿಯನ್ನು ಸರ್ಕಾರದವರು ನೇಮಿಸಿ ಪರಿಶೀಲನೆ ಮಾಡುವುದು ಒಳ್ಳೆಯದಲ್ಲವೆ ? This is important.

Sri K. HANUMANTHAIYA.—The Planning Commission itself serves the purpose. All these days the Government of Mysore has been making representations in this behalf.

ಶ್ರೀ ಜೆ. ಮಹಮ್ಮದ್ ಇಮಾಂ.—ಈಗ ಈ ದೇಶದ ಮತ್ತು ಸಭೆಯ ಅಭಿಪ್ರಾಯ ಹೀಗಿದೆ, ನಮ್ಮ ಸಂಸ್ಥಾನಕ್ಕೆ ಅಗತ್ಯವಾದಷ್ಟು ಕೊಟ್ಟು ಆಮೇಲೆ ಉಳಿದರೆ ನಿಮ್ಮ ಕಾರ್ಖಾನೆಗಳಿಗೆ ಮತ್ತು ಇತರರಿಗೆ ಕೊಡಬೇಕಾಗುತ್ತದೆ, ಆದುದರಿಂದ ನೀವು ಸಹಾಯ ಮಾಡದಿದ್ದರೆ ಕಷ್ಟವಾಗುತ್ತದೆ ಎಂದು ಇಂಡಿಯಾ ಸರ್ಕಾರಕ್ಕೆ ತಿಳಿಸಿದ್ದೀರಾ ?

Sri K. HANUMANTHAIYA.—That question does not arise, Sir.

Mr. SPEAKER.—That is answered.

ಶ್ರೀ ಎಸ್. ಗೋಪಾಲಗೌಡ.—ವಿದ್ಯುಚ್ಛಕ್ತಿ ಉತ್ಪತ್ತಿಯ ಬಗ್ಗೆ ಒಂದು comprehensive ಯೋಜನೆಯನ್ನು ಸರ್ಕಾರದವರು ತಯಾರು ಮಾಡಿದ್ದಾರೆಯೆ ?

Sri K. HANUMANTHAIYA.—Of course, it is being done according to a scheme.

ಶ್ರೀ ಎಸ್. ಗೋಪಾಲಗೌಡ.—Five-year Plan ನಲ್ಲಿರುವುದಲ್ಲದೆ, ಸಂಸ್ಥಾನದಲ್ಲಿ ವಿದ್ಯುಚ್ಛಕ್ತಿಯ ಉತ್ಪತ್ತಿಯನ್ನು ಹೆಚ್ಚಿಸುವ ಬಗ್ಗೆ ಒಂದು Comprehensive ಯೋಜನೆಯನ್ನು ತಯಾರು ಮಾಡಿದ್ದಾರೆಯೇ ?

Sri K. HANUMANTHAIYA.—I do not follow exactly what the Hon'ble Member has got in mind. A separate scheme for the Electrical Department only is there—the existing generating stations are there and the power is being distributed. All that is well known.

ಶ್ರೀ ಎಸ್. ಗೋಪಾಲಗೌಡ.—ಈಗ ಉತ್ಪತ್ತಿಯಾಗುತ್ತಿರುವ ವಿದ್ಯುಚ್ಛಕ್ತಿಯನ್ನೆಲ್ಲಾ ಇಲ್ಲಿ ಉಪಯೋಗಿಸುತ್ತಿದ್ದಾರಲ್ಲವೆ ?

Sri K. HANUMANTHAIYA.—Yes. I think so.

ಶ್ರೀ ಎಸ್. ಗೋಪಾಲಗೌಡ.—ಹೊನ್ನೇಮರಡು ಯೋಜನೆಯನ್ನು ಕೈಗೊಳ್ಳಬೇಕೆಂದು ಮೈಸೂರು ಸರ್ಕಾರವು ಕೇಂದ್ರ ಸರ್ಕಾರದ ಪ್ಲಾನಿಂಗ್ ಕಮಿಷನ್ನಿಗೆ ಶಿಫಾರಸು ಮಾಡಿದೆಯೆ ?

Sri K. HANUMANTHAIYA.—Yes. We have already done it repeatedly.

ಶ್ರೀ ಎಸ್. ಗೋಪಾಲಗೌಡ.—ಹೊನ್ನೇಮರಡು ಯೋಜನೆಯನ್ನು ಕೈಕೊಳ್ಳುವುದರಿಂದ ಹಿರೇಭಾಸ್ಕರ್ ಅಣೆ ಮುಳುಗಿ ಹೋಗುತ್ತದೆಂಬುದು ನಿಜವೆ ?

Sri K. HANUMANTHAIYA.—Honnemaradu does not necessarily mean one scheme. There is the big scheme which submerges Hirebhasgar dam. There is another scheme which contemplates building a dam against atributary of Sharavathi. Any one of these schemes may be favoured. At any rate nothing has been decided.

Sri M. V. RAMA RAO.—Are the prospects of taking up the Honnemaradu Project bright ?

Sri K. HANUMANTHAIYA.—The prospects are as bright as ever.

Sri M. V. RAMA RAO.—Is it not a fact that the prospects are absolutely bad ?

Sri K. HANUMANTHAIYA.—No, Sir.

Sri M. V. RAMA RAO.—May I know what progress has been made in the negotiations between the Government of Mysore and the Central Government for the purpose of getting financial assistance for implementing the Honnemaradu Project ?

Sri K. HANUMANTHAIYA.—We are preparing the ground and I have every hope that it will be included in the second Five-Year Plan.

Sri M. V. RAMA RAO.—Sir, is it not a fact that one of the generators at the Mahatma Gandhi Hydro-Electric Works is not actually working at present ?

Sri K. HANUMANTHAIYA.—Notice please.

Sri M. V. RAMA RAO.—Is the Government aware that the production of electrical energy in Mysore State is very inadequate to meet the increasing requirements of the State ?

Sri K. HANUMANTHAIYA.—The position is increasingly coming to that state of affairs.

Sri M. V. RAMA RAO.—May I ask why the Chief Minister took it upon himself to make a promise of 2,000 K.W. of power to South Kanara District when he went there on tour ?

Sri K. HANUMANTHAIYA.—Previously, on account of some of the villages being submerged on account of the Hirebhasgar Dam, the previous Government had made a promise. It was almost an agreement that power should be supplied to South Kanara

Sri M. V. RAMA RAO.—Do I understand the Chief Minister to say that the previous agreement with the Government of Madras commits th Government to the position th Mysore is under a liability to supply power to South Kanara ?

Sri K. HANUMANTHAIYA.—The Hon'ble Member is right.

Sri M. V. RAMA RAO.—Was any precaution adopted at the time of coming into this agreement to see that the 3,900 or 4,000 K. W. of electrical power being supplied at present for use in the ceded districts was taken notice of with particular reference to the accession of Bellary District to Mysore State ?

Sri K. HANUMANTHAIYA.—It has been taken note of.

Sri M. V. RAMA RAO.—To what extent and what purpose ?

Sri K. HANUMANTHAIYA.—The agreement in regard to the supply of power to ceded districts comes to an end next year or so. Then, it is left to us whether to continue the supply of power or not.

Sri M. V. RAMA RAO.—Is it correct to assume from the reply given by the Government that the Government of Mysore will not be under any liability or obligation to supply 3,900 or 4,000 K.W. of electricity to Madras State from next year?

Sri K. HANUMANTHAIYA.—Yes. After the period of the agreement terminates.

Sri M. V. RAMA RAO.—Is not the agreement going to be extended for the benefit of the new Andhra State that is to be formed? Is the Chief Minister quite certain that this agreement will not be extended to the new Andhra State?

Sri K. HANUMANTHAIYA.—I may straightaway refute the promise of an Andhra State being quite foreign to India. If it is necessary in the interests of goodwill between two States that electricity should be continued to be supplied, I would do so.

Sri M. V. RAMA RAO.—There was no such insinuation, Sir. In fact, I am quite aware of the cosmopoliton views of the Chief Minister. My question was whether this agreement with the Government of Madras—either it may come to an end next year or it may as a consequence of the new State.....

Sri K. HANUMANTHAIYA.—May I interrupt, Sir? The agreement terminates in the year 1957?

Sri M. V. RAMA RAO.—The agreement will terminate in 1957.

Sri K. HANUMANTHAIYA.—Yes.

Sri M. V. RAMA RAO.—Then, Sir, may I repeat my question whether the answer given by the Chief Minister stands modified that no account of the previous agreement was taken note of when this new agreement was entered into?

Sri K. HANUMANTHAIYA.—As I said, the new agreement that we have arrived at with South Kanara is far more restricted in its scope than was the original agreement. We are now willing to supply only 2,800 K. W. of power. The original agreement had committed us to supply 6,000 K.W. of electrical power.

Sri M.V RAMA RAO.—Is the power supply meant only for South Kanara, Sir?

Sri K. HANUMANTHAIYA.—Yes.

Sri V. M. MASCARENHAS.—Please tell me why only half the installed capacity of the generators are working?

Sri K. HANUMANTHAIYA.—That is due to the irregular flow of water. The figures are given in the answer.

12-30 P.M.

Sri T. C. BASAPPA.—Can we not improve the capacity of the Jog Electric Works by the resources of the Government themselves?

Sri K. HANUMANTHAIYA.—Provision has been made for full production. That is completed. All stages of development have been completed in the Mahatma Gandhi Hydro Electric Works.

Sri T. C. BASAPPA.—I am suggesting, can we not try to improve the capacity of Jog Electric Works?

Sri K. HANUMANTHAIYA.—I am afraid, we cannot.

Sri K. PUTTASWAMY.—What steps have the Government taken to assure regular water supply to Shivasamudram?

Sri K. HANUMANTHAIYA.—We have arranged yesterday for prayers to God. That is the step we have taken.

Sri K. PUTTASWAMY.—Is it not a fact that your Engineers have advised the Government to build Kapini Reservoir to assure regular supply of water to Shivasamudram?

Sri K. HANUMANTHAIYA.—That is one of the projects in view.

Sri K. PUTTASWAMY.—When have the Government thought of offering prayers?

Sri K. HANUMANTHAIYA.—When the Hon'ble Member became so critical.

(*Laughter.*)

ಶ್ರೀ ಕೆ. ಪುಟ್ಟಸ್ವಾಮಿ.- ಅಂಥ ಪ್ರೇಯರಿನಿಂದ ಏನು ಪ್ರಯೋಜನವಾಗುತ್ತದೆಂದು ತಿಳಿದುಕೊಂಡಿದ್ದೀರಿ?

(No answer.)

Sri B. V. NARAYANA REDDY.—Have not the previous Government promised to give electricity throughout the State?

Sri K. HANUMANTHAIYA.—We are giving throughout the State.

Sri B. V. NARAYANA REDDY.—Have they not promised to give

electricity to our Sub-Division for irrigation purpose?

Mr. SPEAKER.—The Member is repeating the question.

Sri B. V. NARAYANA REDDY.—Instead of giving electricity to other States, why should not they give to us?

Mr. SPEAKER.—He has assigned the reason for it already.

ಶ್ರೀ ಎಸ್. ಆರ್. ನಾಗಪ್ಪಶೆಟ್ಟಿ.—ತಾವು ಮದ್ರಾಸು ಸರ್ಕಾರಕ್ಕೆ ಪವರ್ ಕೊಡಲಾಗಿದೆಯೆಂದು ಹೇಳಿದ್ದೀರಿ. ಇದು ತುಂಗಭದ್ರಾ ಪ್ರಾಜೆಕ್ಟನ್ನು ಕಟ್ಟುವುದಕ್ಕೆ ತಾನೆ?

Sri K. HANUMANTHAIYA.—Partly, that was the purpose.

ಶ್ರೀ ಎಸ್. ಆರ್. ನಾಗಪ್ಪಶೆಟ್ಟಿ.—ಜೋಗ್ ಪ್ರಾಜೆಕ್ಟಿನಿಂದ ಒಂದು ಲಕ್ಷ ಎರಡು ಸಾವಿರ ಕಿಲೋವಾಟುಗಳ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಉತ್ಪತ್ತಿಯಾಗುತ್ತಿದೆಯೆಂದು ತಿಳಿಸಿದ್ದೀರಿ. ಈಗ ಇಷ್ಟೂ ಉಪಯೋಗಿಸಲ್ಪಡುತ್ತಿದೆಯೇ?

Sri K. HANUMANTHAIYA.—The installed capacity is 1,20,000 k. w. Now we are not producing the full quantity of power, but it varies between 70,000 to 1,02,000.

ಶ್ರೀ ಎಸ್. ಆರ್. ನಾಗಪ್ಪಶೆಟ್ಟಿ.—ಈಗ ಉತ್ಪತ್ತಿಯಾಗುತ್ತಿರುವ ಒಂದು ಲಕ್ಷ ಎರಡುಸಾವಿರ ಕಿಲೋವಾಟುಗಳನ್ನು ಬೇರೆಬೇರೆ ಯೋಜನೆಗಳ ಉಪಯೋಗಕ್ಕೆ ಕೊಟ್ಟರೆ ಆಗ ಸರ್ಕಾರಕ್ಕೆ ಏನಾದರೂ ಲಾಭ ಬರುತ್ತದೆಯೇ ಎಂಬುದು ನನ್ನ ಪ್ರಶ್ನೆ?

Sri K. HANUMANTHAIYA.—Continuously this amount of power is not being generated. figures vary and what is generated is being used.

ಶ್ರೀ ಎಸ್. ಆರ್. ನಾಗಪ್ಪಶೆಟ್ಟಿ.—ಹಾಗೆ ಅಲ್ಲಿ ಉತ್ಪನ್ನವಾಗತಕ್ಕ ಎಲ್ಲಾ ಪವರನ್ನೂ ಉಪಯೋಗಿಸಿಕೊಳ್ಳಲು, ವೈರ್, ಪೋಲ್ಸು ಇತ್ಯಾದಿ ಸಾಮಾನುಗಳು ದೊರೆಯದೆ ಅಪ್ಪನ್ನೂ ಉಪಯೋಗಿಸಲು, ಅವಕಾಶ ವಿಲ್ಲದೆ ಲುಕ್ಸಾನಾಗುತ್ತಿಲ್ಲವೆ?

Sri K. HANUMANTHAIYA.—We are putting up the lines now.

ಶ್ರೀ ಎಸ್. ಆರ್. ನಾಗಪ್ಪಶೆಟ್ಟಿ.—ಅಲ್ಲಿ ಉತ್ಪತ್ತಿಯಾಗುತ್ತಿದ್ದ ಹಾಗೆಯೇ, ಅದನ್ನು ಬೇರೆ ಕೆಲಸಕಾರ್ಯಗಳಿಗೆ ಉಪಯೋಗಮಾಡಿಕೊಳ್ಳಲು, ಅದಕ್ಕೆ ಬೇಕಾದ ಸಲಕರಣೆಗಳ ಸರಬರಾಯಿ, ಈ ಎರಡೂ ಒಂದೇ ಮಟ್ಟದಲ್ಲಿ ಆಗದೆ ಇರುವುದರಿಂದ ಸರ್ಕಾರಕ್ಕೆ ಈಗೇನೂ ಲುಕ್ಸಾನಾಗುತ್ತಿಲ್ಲವೇ?

ಶ್ರೀ ಕೆ. ಹನುಮಂತಯ್ಯ.—ಹಾಗೆ ನಷ್ಟವೇನೂ ಆಗುತ್ತಿಲ್ಲ.

———

Instructions alleged to have been given to Deputy Commissioners to persecute Messrs. K. Venkataswamy, K. N. Guruswamy, Moola Rangappa and others.

Q.—262. Sri M. V. RAMA RAO (Tumkur).—

Will the Government be pleased to state:—

whether, and if so, why, instructions have been given to Deputy Commissioners on or about 18th May 1953 to spare no pains to persecute Messrs. K. Venkataswamy, K. N. Guruswamy, Moola Rangappa and other citizens of the State?

A.—Sri K. HANUMANTHAIYA (Chief Minister).—

No such instructions have been issued.

Sri M. V. RAMA RAO.—May I know whether such instructions have been issued to any other officers?

Sri K. HANUMANTHAIYA.—No, Sir.

Sri M. V. RAMA RAO.—May I know whether the Government are aware that a circular has been issued by the Secretary to Government, Public Works Department, to the Superintending Engineers of many circles in the State requiring 10 years' statistics of the Public Works Contracts given to several gentlemen to be furnished for the information of the Government urgently and immediately?

Sri K. HANUMANTHAIYA.—That is a different question altogether. The Hon'ble Member can put a question separately on that.

Sri M. V. RAMA RAO.—My question is whether such a circular has emanated from the Government Secretariat?

Mr. SPEAKER.—The Member's question is quite different from the present one. That is what the Chief Minister said. The Member's principal question deals with a different issue.

Sri M. V. RAMA RAO.—Is it a fact that a conference of Deputy Commissioners took place on or about the 18th of May 1953?

Sri K. HANUMANTHAIYA.—Yes.

Sri M. V. RAMA RAO.—Is it a fact that the Chief Minister went to Delhi on 11th May and returned on or about 18th May?

Sri K. HANUMANTHAIYA.—Yes.

Sri M. V. RAMA RAO.—Is it a fact that after Cabinet meeting was over, the instructions such as have been suggested in the Question were actually conveyed to the Deputy Commissioners?
